Play Segway Polo with your colleagues, clients, or partners

Need an edge? Why not dazzle and impress clients, boost staff morale, or just have an awesome time with your partners and suppliers. See a whole new side to your favourite account manager with this riveting new sport. Think polo with mallet and ball, only swap the horse for a state-of-the-art Segway Personal Transporter.

This is huge fun!

Segway Corporate Polo is designed to be fun for absolute beginners – people who've never been on a Segway PT before. Segway Polo is a fast, exciting new sport that doesn't require physical fitness or any particular sporting skill to enjoy.

We can take a group of people who have never been on a Segway PT and train them to ride in 15 minutes before the game. Segway PTs are set to go no faster than "jogging" speed to ensure maximum safety and maximum fun. Rules are kept simple, like a fun game of soccer or hockey. All a player needs to bring is a pair of sports shoes and themselves.

The game

A game of Segway Polo includes play of several 5 minute rounds – called "chukkas" in polo. Teams play each other 3 vs 3, with 6 players on the field at any one time. Up to dozen additional players watch and cheer from the sidelines, then substitute at every chukka, so everyone keeps entertained throughout.

Segway Corporate Polo is ideal for matches between corporate/business groups, conference "break-out sessions", staff functions, private parties, showcase games at events to generate publicity and more!

Time

6-12 players 1–1.5 hours
 13-20 players 1.5–2 hours

Locations

Segway Corporate Polo can be played just about anywhere. All we need is an outdoor area of about 20m x 40m, or an indoor space about the size of a basketball court. We can book a suitable sports field, gym or private facility near you. Please contact Segway NZ to discuss options.

Rates*

Segway Polo is \$125+GST per person – capped at a maximum of \$2,000+GST for large groups.

This includes SIX Segway PTs, polo mallets, balls, helmets, field cones, goals, and scoreboard. Segway NZ staff will referee and assist in making your game as enjoyable as possible.

* rates are based on games in Auckland. Please enquire for a quote outside of Auckland.
